TRY ONE OF THESE EVENT IDEAS!...

1. Dress down day at work - Charge members of your team a fee to come to work in their favourite pair of jeans or hoody. Just remember to bring a flat cap along too!

2. Host a tea party - Host your own tea party at home or in the office. Charge people for a cuppa or slice of cake. Don't forget the Yorkshire Parkin!

3. Film showing - Stage a screening in your own home - maybe you could have a Yorkshire themed film showing? What about Calendar Girls, Chicken Run, The Full Monty, Wuthering Heights or Kes? Yorkshire has played host to some pretty impressive films over the years! You can sell snacks and ask guests to pay a small amount for the screening.

4. Spring Fete - Get yourself a big space. It could be a local hall, field or your garden and embrace the changing season. Set up children's games, host small workshops and provide stalls. Then, whip up some picnic packs for guests and crack open the Pimms. Charge a small picnic pack fee and charge guests
